Connect to JMLS Wi-Fi: iOS

1. Navigate to your Settings.

2. Select Wi-Fi. Make sure Wi-Fi is turned on.

3. Connect to the JMLS network.

4. When prompted for the password, enter PracticeReady (password is case sensitive).

5. Open your mobile web browser (e.g., Safari), which will automatically load the JMLS portal.

6. After reading the Acceptable Use Policy, click Accept, which will prompt you to log in (same username and password as eCommons).
7. After you have logged on successfully, you must close your web browser, **wait 60 seconds and then restart.**

8. After restarting your web browser, type in a URL (e.g., google.com) to **make sure it loads.** If it does, you are connected to the internet.

Questions? Contact the **ITS Help Desk** via the Help Desk Portal at [helpdesk.jmls.edu](http://helpdesk.jmls.edu), phone 312/427-2737 x550, email [helpdesk@jmls.edu](mailto:helpdesk@jmls.edu), or visit room 733, 7th floor, State Street building (via main elevators or stairs from the 6th floor outside the library).
